### **Black Olive Sports Bar Now Open**

Lansdowne, VA – For year's there has been a wonderful gathering place in Leesburg, Virginia, but only select groups have ever had the chance to really know about it. This fall, local residents will be able to spread out and enjoy a wonderful sporting event on not just two or four large screen televisions, but rather 16- 42" flat screen televisions at the newly enhanced Black Olive Sports Bar at The National Conference Center.

The National Conference Center, a part of Leesburg for over 35 years, is a world class training facility tucked behind the trees inside the Lansdowne development. "We felt it was time to invite the local community to share in our abundant space, particularly with all the great new improvements we have made," said General Manager Kurt Krause. "Instead of having a group of friends over to a crowded basement, bring the party over to the Black Olive Sports Bar and we will take care of all your food and beverage needs. Other improvements include addition of a Wii Lounge, updated menu, as well as the addition of Vincenzo's pizza.

The Black Olive Sports bar is open at 5:00 pm Monday through Friday and 12:00 noon to close Saturday and Sunday. The Bar has an extensive menu, top shelf beer, wine and liquor as well as several pool tables, etc – The space is also available for private parties.

Located in Northern Virginia 12 miles from Dulles International Airport and 35 miles from Washington, D.C., the National Conference Center (NCC) is one of the largest and most comprehensive conference centers in the nation. With 925 guest rooms and over 250,000 square feet of meeting space, NCC has become a hub for productive meetings.
