GENERAL SERVICES ADMINISTRATION (GSA) AWARDS TRAVEL SOLUTIONS SERVICES CONTRACT GS-33F-0005W TO THE NATIONAL CONFERENCE CENTER

Leesburg, VA – The National Conference Center (NCC), one of the largest and most comprehensive conference centers in the Washington, DC metropolitan area, announced that it has received a Multiple Award Schedule Contract Number GS-33F-0005W awarded effective November 18, 2009 for conference center services (under SIN 599 99, Introduction to New Services/Products). The contract is good for one five-year basic contract period through November 17, 2014 and three five-year Evergreen option periods.

As the first and only conference center with a GSA Schedule Contract, planners will now have a one stop planning option when it comes to their meetings. The Complete Meeting Package is designed to provide all the basics for a meeting or conference, with simplicity and convenience in mind. Different from more traditional and cumbersome purchasing methods, this GSA contract vehicle will make the fair and reasonable procurement process easier while including all critical elements.

“We are thrilled to be included on the schedule as it will help make it easier for our current and future government customers to secure our services and will highlight our award winning, distraction free environment to a community that is looking for an outstanding meeting destination,” said Director of Sales and Marketing Eric Whitson.

The Complete Meeting Package includes: General Session Room; breakouts to accommodate group; storage space before and after the meeting; registration desk; basic audio-visual package in general session including projector and screen; basic AV package in breakout room; pens, pads and candy at each station; two flipcharts with paper and markers; overnight accommodations; three buffet-style meals in guest dining; continuous beverage and snack breaks; complimentary internet access in guest room; free parking and complimentary use of fitness center, all for the valued added price of \$197.47 per person, per night.
